Applications for Covid-19 Charitable Funds

Please outline how your application for Covid-19 funding is aligned to one or more of the Cardiff & Vale Health Charity Strategy 2020 - 2025 Objectives, as follows.

Objective One:	We will support the health and wellbeing of our population and support initiatives to enhance the public health of our patients and staff through innovative healthcare experiences.
Objective Two:	We will support the health, wellbeing and welfare of our staff to lead healthier lives.
Objective Three:	We will help to create the best possible environment for sustainable healthcare, making the best use of technology to deliver the aims of the Health Charity.
