About the lottery

The Cardiff & Vale Staff lottery gives NHS staff the chance to win £1,000 every week plus FREE entry into special SuperDraws.

Our lottery raises significant money each year, for the benefit of patients and staff.

How it Works

Entry is paid directly from your salary and your unique allocated number is entered automatically into the draw. The winning number for each draw is selected at random by computer in the presence of non-participating witnesses. Winners are notified by telephone and prize money is paid directly into your bank account using your details that we hold in payroll. It's easy peasy!!

It's simple to join - just complete the form and send it to the Cardiff & Vale Health Charity, 6th Floor, Brecknock House UHW.

The Staff lottery is run by Cardiff & Vale Health Charity, registered charity no 1056544.

About Our Charity

Cardiff & Vale Health Charity is the official charity of Cardiff & Vale UHB. We support projects that are over and above NHS funding.

We have over 300 endowment funds that are managed by health care specialists who use the funds to develop research, treatment and patient care.

The new 'Make it Better Fund' is our general fund that supports projects across all of our hospitals, health centres and community teams.

Our charity has recently awarded grants of over £1.5 million to support projects across the UHB. Staff rooms, patient waiting rooms, training bursaries and extensive medical equipment are just some of many of the projects funded.

If you would like to apply for funds that may enhance your department or the services that you offer, then please contact the Fundraising Office, 029 2184 1802 (Internal calls to 41802) or visit the fundraising page on the intranet.
